MAISON AULNE

A different way to live

CARNET 01 / 2026

Eight architectural ideas, materials and questions to help imagine your home.

DEMONSTRATION - Fictional architecture, no real completed projects.

Three Gables

Three volumes, one idea: life close to nature with all the comfort of a generous family home.

What light would you like to wake up to?

The Shore

A low silhouette, a stone terrace and the lake as an everyday horizon.

How would you like to connect to the landscape?

The Courtyard

A garden at the heart of the home, bringing in light while keeping everyday life private.

Where do you find quiet in a home?

The Retreat

A compact retreat where every square metre serves the view, warmth and the pleasure of gathering.

Which moments do you enjoy sharing?

The Clearing

Reimagining an existing home with a living room that opens onto the garden.

What would you keep from your current home?

High Woods

A home made for hosting, with quiet wings around a generous gathering space.

How do you welcome friends and family?

The Workshop

Living and creating under one roof, with a workshop filled with daylight.

How much room do work or creativity need?

The Essential

Less space, more purpose: a compact home shaped around everyday routines.

Which spaces are truly essential?

Your home, in a few words.

Three moments to make room for

Three essential spaces

A material, a light, a feeling

Questions for the first conversation
