The Lisière companion

2026-09-15 · G-LISIERE

Getting around, daily routines and useful places in La Lisière, together for your arrival.

Start here

Homes beside the woods, quiet gardens and a trail that changes with the seasons. Gardens face preserved woodland. A footpath joins the pool and clubhouse; explore the forest edge on foot and keep to the trail.

Access and routes

The woodland loop is 800 metres long. Dogs stay on a lead and waste bags go in collection bins near the two entrances.

The rhythm of the neighbourhood

Neighbours gather around sentier de la Lisière. Keep shared passages clear and lively gatherings to daytime hours. Temporary access changes appear on the community calendar.

Before moving day

Let reception know your arrival date and delivery window. Protect shared spaces, locate collection points and list the access cards your household will need.

Planning a change at home

Gather a sketch, colours, materials and your preferred timetable. Read the standards in the resource library, then prepare the architectural file before starting work.

Dates to keep close

The calendar brings together meetings, workshops and maintenance. For a neighbourhood question, choose the appropriate subject on the Contact page and include the location.
