The Prés neighbourhood notes

2026-09-15 · G-PRES-BOREALS

Getting around, daily routines and useful places in Les Prés-Boréals, together for your arrival.

Start here

Open skies, flowering meadows and paths that invite you outdoors. The meadows are mown in sections so perennials can flower. The shared garden and four pickleball courts are close by.

Access and routes

A 1.1-kilometre loop joins the garden, courts and meadow rest area. Mown paths remain open through the flowering season.

The rhythm of the neighbourhood

Neighbours gather around rue des Prés-Boréals. Keep shared passages clear and lively gatherings to daytime hours. Temporary access changes appear on the community calendar.

Before moving day

Let reception know your arrival date and delivery window. Protect shared spaces, locate collection points and list the access cards your household will need.

Planning a change at home

Gather a sketch, colours, materials and your preferred timetable. Read the standards in the resource library, then prepare the architectural file before starting work.

Dates to keep close

The calendar brings together meetings, workshops and maintenance. For a neighbourhood question, choose the appropriate subject on the Contact page and include the location.
