Settling into La Roche-Claire

2026-09-15 · G-ROCHE-CLAIRE

Getting around, daily routines and useful places in La Roche-Claire, together for your arrival.

Start here

Homes tucked against granite, hillside views and a lookout for the evening light. The small lookout terrace brings walkers together at the end of the day. The fitness centre sits at the foot of the hill, beside the clubhouse.

Access and routes

The upper walk descends to the clubhouse on a steeper slope. Traverse road offers a gentler alternative with two resting benches.

The rhythm of the neighbourhood

Neighbours gather around montée de la Roche-Claire. Keep shared passages clear and lively gatherings to daytime hours. Temporary access changes appear on the community calendar.

Before moving day

Let reception know your arrival date and delivery window. Protect shared spaces, locate collection points and list the access cards your household will need.

Planning a change at home

Gather a sketch, colours, materials and your preferred timetable. Read the standards in the resource library, then prepare the architectural file before starting work.

Dates to keep close

The calendar brings together meetings, workshops and maintenance. For a neighbourhood question, choose the appropriate subject on the Contact page and include the location.
