The Trembles welcome book

2026-09-15 · G-TREMBLES

Getting around, daily routines and useful places in Les Trembles, together for your arrival.

Start here

Silver-leaved aspens line a lane of small squares where conversations linger. The squares host spring plant swaps. The clubhouse is a six-minute walk along the Érables promenade.

Access and routes

A gentle 700-metre loop connects the mailboxes to benches in the north square. Please walk bicycles through the narrow passages.

The rhythm of the neighbourhood

Neighbours gather around allée des Trembles. Keep shared passages clear and lively gatherings to daytime hours. Temporary access changes appear on the community calendar.

Before moving day

Let reception know your arrival date and delivery window. Protect shared spaces, locate collection points and list the access cards your household will need.

Planning a change at home

Gather a sketch, colours, materials and your preferred timetable. Read the standards in the resource library, then prepare the architectural file before starting work.

Dates to keep close

The calendar brings together meetings, workshops and maintenance. For a neighbourhood question, choose the appropriate subject on the Contact page and include the location.
