Home identification should remain legible and consistent with the entrance.

The principle

Home identification should remain legible and consistent with the entrance.

Practical guidance

Show the proposed location, contrast and mounting. Keep the space needed for access and seasonal maintenance clear.

Planning a change

For an exterior change, gather the description, sketch, materials and schedule before requesting review. Wait for a written response before starting work.

Edition and follow-up

2026 edition. Check the update date and gather supporting information before raising a project.
