Preparing entrances for winter

2026-04-09 · S-NEIGE

Autumn preparation makes winter care of the shared spaces easier.

The principle

Autumn preparation makes winter care of the shared spaces easier.

Practical guidance

Remove small objects from edges, mark fragile planting and report obstacles to reception. Do not place snow on shared walking routes.

Planning a change

For an exterior change, gather the description, sketch, materials and schedule before requesting review. Wait for a written response before starting work.

Edition and follow-up

2026 edition. Check the update date and gather supporting information before raising a project.
