Being a considerate neighbour

2026-04-09 · S-VOISINAGE

Outdoor spaces are meeting places that remain close to homes.

The principle

Outdoor spaces are meeting places that remain close to homes.

Practical guidance

Let neighbours know before an unusual activity, limit disturbance and keep routes clear. Pets are accompanied and waste is picked up. Concerns are handled respectfully without publishing personal information.

Planning a change

For an exterior change, gather the description, sketch, materials and schedule before requesting review. Wait for a written response before starting work.

Edition and follow-up

2026 edition. Check the update date and gather supporting information before raising a project.
